Dear Ms. Johnson,

I am writing to you on behalf of Advanced Pain Management and Spine Specialists, Park Center for Procedures and Park Central, LLC. All three entities are being serviced by All "U" Need Pest Control, Inc.. Since we have opened our new facility in December 2008. Craig Carlson and his wonderful staff have been there for us especially whenever we need to pass the strict inspections of AAHC for our Surgery Center which is the Park Center for Procedures. They make sure that they adhere to all the guidelines needed to run our business smoothly.

Mr. Carlson and his staff are very professional, hardworking and trustworthy and I would recommend them to anybody that needed their expertise.

If you need further information you can contact me at 239-337-6808 or email me at lgardose@apmss.net.

Sincerely,

Lourdes M. Gardose
